# COUNTERTOP PAYMENTS MADE SIMPLE

Pick the Terminal that's best for you!

The Z8, Z9, and Z11 countertop payment terminals provide an easy to use EMV payment experience for every business owner. Merchants love the ease of use and ISOs love the easy programming of Dejavoo.

Stand-alone countertop terminals makes taking card payments simple. All models come with contactless payment options, EMV, and WIFI connectivity for easy updates.

*Stand-alone terminals allow you to take payments even without a POS system. The Dejavoo Z11, Z9, and Z8 are easy to program and easier to use. Network capabilities ensure updates are done quickly. We'll take care of the tech side so you can focus on your business.*

# PAYMENTS

## You have the power to Choose!

### Core Processing Platform

Selling, shopping, dining, paying... it can all happen, anywhere and at any time, in just a matter of taps on a phone or tablet. Bigeye POS integrates payments using the most advanced and secure platforms available.

- **Interchange Pass Through Program** - Pricing Program where we allow the actual cost of processing to be passed directly to your business. Pricing available upon Request
- **Non-Cash Adjustment Program** (90% of your Processing cost gone ) - A discount program that encourages your customers to pay by cash or gift card. A small service charge (either a fixed or percentage amount) is applied to all credit and debit card sales. A discount is automatically applied when customers pay with cash or gift card.
