WHAT WE DO.

We provide integrated technology and Dealer Services to Food Service and Specialty Retail industries. Our ongoing goal is to improve efficiency and efficacy for the Merchant while providing cost-effective POS technology, marketing, loyalty, and payment services to our clients with a personalized consultation and a turn-key point of sale solution. We offer a software suite that customizes solutions for a wide array of restaurants and retailers, from independent locations to national chains. Our focus is on helping our clients create meaningful relationships and providing genuine customer service.

KEEP TABS ON YOUR ENTIRE OPERATION

Robust Management Tools for Every Bar

Big Eye POS Technology streamlines bar operations with comprehensive management tools to help you keep track of all of your inventory more precisely, manage your employees effortlessly, and keep your customers coming back for more. With Revel's hybrid cloud environment, you can be sure that you'll keep the drinks flowing without slowdown.

- Monitor Pours and Track Ingredients
- Keep Happy Hours on Time Effortlessly
- Run Bar Tabs and Track Tip Pooling

Whether you're running the neighborhood dive, the local brew pub, or the hot, new lounge, Big Eye POS Technology has the tools you need to manage your bar with ease.

“Revel has helped me resolve my largest challenge by being able to effectively track inventory in real-time. I can easily go onto the Management Console and see exactly which products have been sold, how many are left, and even be able to set alerts for low inventory numbers.”

PAYMENTS

You have the power to Choose!

Core Processing Platform

Selling, shopping, dining, paying... it can all happen, anywhere and at any time, in just a matter of taps on a phone or tablet. Bigeye POS integrates payments using the most advanced and secure platforms available.

- **Interchange Pass Through Program** - Pricing Program where we allow the actual cost of processing to be passed directly to your business. Pricing available upon Request
- **Non-Cash Adjustment Program** (90% of your Processing cost gone) - A discount program that encourages your customers to pay by cash or gift card. A small service charge (either a fixed or percentage amount) is applied to all credit and debit card sales. A discount is automatically applied when customers pay with cash or gift card.
